

INMAR COMMUNITY TECH NIGHT

Having problems with your computer/tablet/cell phone?

Is it infected with a virus, running slowly – or do you just want someone to show you how to use a computer to help you with your daily life or school?

Inmar's Technology Gurus, joined by Allegacy, will be available to help you with technology problems or questions. **There is NO COST!**

One lucky person at each location will win a Chromebook computer!*
