

*We hope you'll join us!*

## Community Tech Night

THURSDAY, OCTOBER 26, 2023

6:00PM – 8:00PM

**SPRAGUE STREET  
COMMUNITY CENTER**

1350 E Sprague St,  
Winston-Salem, NC 27107

Technology is an amazing tool for our society and culture. It connects us with loved ones, helps us learn and grow, and provides us with entertainment and information. However, technology can also be a challenge to understand and operate.

That's where Community Tech Night comes in. This is a free event where members of the community can come to get assistance. Whether you're having trouble setting up your new phone, or need help troubleshooting a problem with your laptop, we're here to help with your personal devices.

Light refreshments will be served, and there will also be a prize drawing for a brand new Chromebook laptop. Mark your calendar for Thursday, October 26, and we hope to see you there!

**\*\*\*Please bring the power cables or chargers for your device(s).\*\*\***
